

Seven Wonders of Sackville

Searching for Sackville's Seven

Sustainable Sackville is seeking nominations for the **7 Wonders of Sackville** from community members.

Is it - the Waterfowl Park? Mount Allison University? Mel's? the Farmers' Market? Live Bait Theatre? the marsh mud? Strut's Gallery? the wind? the local book store? the strategic location of town? Or is it something else?

Submissions can be made in any form – print (letters to the Trib, stories, poems), posters, photographs, videos, or other works of art.

Submit a digital copy of your nomination to SustainableSackville@gmail.com or hard copy to the Tantramar Planning Commission office at 2 Bridge Street.

Deadline for submissions is February 19th.

All nominations will be posted on the Sustainable Sackville page of the Town of Sackville's website as well as throughout town.

On-line voting will take place the last week of February.
